Rainbow Viridian skins are based on our default skin, with added fun green borders. Everything else looks the same as it does with our default skin. For this reason, these skins cannot be substituted for default skin purchases. Rainbow Viridian Skins: - Requires 0.4.0 - In your Steam directory: /Steam/steamapps/common/Pogo /Steam/steamapps/common/Pogo/content - You must have Steam installed to install these skins. - You will need to log into Pogo with your Steam account to use these skins. - If installing from the DLC files, you will have to extract them from the zip. - If you're having trouble installing, please send us a PM with any problems you're having and we'll take a look at it. If we can't figure it out, we'll likely not be able to help you. - If you're unfamiliar with using your Steam client, check out the information on the Pogo wiki! Thank you to everyone who helped us get this skin to completion!CHICAGO (CBS) — A food truck driver who police say was shot by a robber in the city's Logan Square neighborhood Friday has died, and police are on the hunt for his attacker. The shooting happened in the 1300 block of West Wrightwood Avenue around 9 p.m. Friday. Dr. John Durante says the suspected shooter, a woman in her 30s, shot the driver, a 61-year-old man, in the neck. The driver was transported to Stroger Hospital, where he was pronounced dead. Police say the suspected gunman ran away. She is described as a black woman standing about 5-foot-5 with a medium build. She was wearing a dark-colored hooded sweatshirt with purple stripes. Anyone with information is asked to call Area Central detectives at 312-747-8273. – WBBM's Jeff Scott contributed to this report.***Background.*** Previous studies suggest *C. difficile* ribotypes (RT) 014, 020, and 056 are associated with elevated morbidity and mortality in hospitalized patients. We previously reported the most common RT (RT020) among *C. difficile* strains associated with an outbreak among residents of a long-term care facility (LTCF). To determine the incidence of this RT among *C
