I thought you might find this interesting, and I have a feeling you'll agree with me.... Sunday, September 19, 2012 A beautiful day Well, it is the first Sunday here, and what a beautiful day! This morning we started with our renewal of baptismal vows to the good Lord. We have been an active and growing church under the leadership of Pastor Jim and Connie "Uncle" George for the past five years. My wife and I have been actively involved through any number of ways, and have worked our jobs and pastor part-time. This year was a full-time job, so we stepped out a little and have been looking for another part-time job. Thankfully we found one that will allow us to be home most evenings. I know that all have visions of the life out side of where we are at now. What about those of us who are still in the 'commitment' stage, or are at a stage where they are thinking about how to find a better job to support their families. Let's face it, at any stage, there is a danger if you close the door, and just enjoy the time there. If you decide that the stage

\* 4.0 OKAY THIS IS THE WORST GAME I HAVE PLAYED. I WANT TO KNOW IF IT WERE A GAME BASED OFF OF A BOOK. DON'T PUT GAME TOGETHER AND LET BOTH THE PUBLISHERS AND THE STORY GENERATOR WORK OUT THEIR FREAKS. IT ALMOST LIKE THE FACT THAT IT IS THE GAME AND NOT THE BOOK. NOTHING IS BASED OFF THE BOOK THE GAME THEY GAVE THE FINAL PRODUCT. IF IT WERE DEFINITELY A BOOK I WOULD HAVE LET IT GO IN A HURRY. I AM NOT HAPPY WITH THE GAME AT ALL. I AM NOT HAPPY WITH THE STORY AT ALL. I AM NOT HAPPY WITH THE GAME SOUND SYSTEM AT ALL. THE GAME IS BASICALLY 2 HIGHER GRADE ACTION POKER. IT SUCKS. REVIEWS ELDEN RING game: \* 4.0 YUP!! FILLED WITH FAILURES SINCE DAY 1. SCREWING THE STORY THEY HAVE WON OVER THE READERS FOR DECADES TO MAKE THE GAME. IT IS THE STORY THAT EVERYONE LOOKS FOR IN A GOOD FANTASY BOOK! YOU HAVE THE RIDICULOUS FAILURE TO MAKE A THING REASONABLE TO ALL READERS AND MAKE THE GAME WORK PROPERLY. I WILL TELL EVERYONE, EVERYTHING IS SUPER DUPER AMAZING. SINCE THE STYLE OF THE GAME AND THE DESIGN OF EVERYTHING IS AMAZING AND SUPER AMAZING. THAT IS WHAT IT IS. REVIEWS ELDEN RING game: \* 4.0 HAAAAAAAAAATTT! ARE YOU FUCKING SERIOUS!?! THE STORY IS WHAT IS IN THE END AMAZING PERIOD YOU CAN'T GET ANYTHING ELSE. THE GAME IS BASED OFF OF A STORY THAT YOU HAVE NOT DONE ANYTHING ABOUT! NO ONE READS THE BOOK AND THEN BUYS THE GAME AND THINKS THAT IT IS GOOD. I WOULD LOVE TO SIT DOWN AND TALK ABOUT WHAT IS WRONG WITH THE GAME. HOW THE STORY IS TOTALLY

WRONG. HOW THEY ACTUALLY HAD NOTHING TO DO WITH THE STORY

Featuring 3 modes: Solo, Group, and Multiplayer. Solo mode: In Solo Mode, which you can play with one to three other players in an arena or in a random battle, your way to defeat enemies and get new equipment is the most important. The Story of the Lands Between: The drama begins with the betrayal of another Lord, and Tarnished, the villain that looms large in the Lands Between is selected as the next target. While your goals may seem noble at first, it turns out that the entire Lands Between has been corrupted by the schemes of this villain. Group Mode: In Group Mode, which you can play with four to seven other players, you take on the role of a Warrior, and each of you fights in a group to get the highest score. During the battle, the one who scores highest will earn EXP, while the score will be saved for later. After going through various missions and utilizing the full functionality of the temporary town, you can enter the main zone, where the battle officially starts. Multiplayer Mode: In Multiplayer Mode, which you can play with up to eight players, you can fight in random battles with other players. While controlling your characters, you can set up your own battle strategy and fight other players. On the game's main menu, you can check the current multiplayer match and view the stats of the characters in the room. DEFENSE RATING Defense Offense Offense RATING Defense Offense RATING Passive Active Passive Active The expected average defense rating is between 9.5 and 10, meaning that you can rest assured that the enemy will be unable to attack you until late in the round. When you attack, your defense rating will decrease as well. There's some variance in this figure, but in general, you can lose 2 of your max defense rating. When you're at half health, your defense rating will drop to your base defense rating of 6. It's a simple system, but it gives a sense of how tough you are. EXP Base EXP Base EXP In Solo Mode and Group Mode, you fight the same way you would in real life - you get experience from defeating enemies, as well as from leveling up. However, combat has been made more exciting, as you get
