The major difference between the two experiments is that the average age of the mice were 4.8 months in the original experiment (as compared to 3.6 months in the current experiment) and it is known that bone development slows with age. ![Comparison of the data to [Fig. 3](#f3-ehi-suppl.2-2014-015){ref-type="fig"} demonstrates that removal of the 5p arm, not deletion of the 5q arm, has no effect on gene dosage. Data are plotted as follows: Mature bone parameters in purple, immature bone parameters in blue, increased proliferation of bone progenitors in green, and decreased survival of bone progenitors in orange. The data in black correspond to the control (single-deletion) experiments reported in [Figure 3](#f3-ehi-suppl.2-2014-015){ref-type="fig"}].(ehi-suppl.2-

Thank you very much for downloading!Celebrity chef It's been months since big American stars opened up to The Hollywood Reporter to talk about the most intimate details of their marriages. But Katie Holmes, Brad Pitt and Jennifer Aniston had their heads buried in scripts and wardrobe discussions when we grilled them for the love lives of our favorite actors. All three happily-married stars shared intimate details about their relationships. Indeed, Holmes and Cruise would try to talk to each other, mostly for the sake of their son, Connor, 3. "Katie would talk about what she was doing at work. I would try to sneak in with something about my day. She would talk about her acting and what she was working on. She was not in the habit of filling me in on what she was doing on a day-to-day basis," he said. "It was a good arrangement," Holmes added. "We were very patient." Cruise, meanwhile, has been friends with Pitt since the '80s, when he was in Studio 54 and Pitt was a struggling actor with a different leather-clad boyfriend for every week. "We talked about everything — all the time," Cruise recalled. "Pitt was more of a talker, and I was a listener." When their sons were little, Pitt would sometimes play football with Cruise and Conan O'Brien, and the actor would take Connor on dates to Disneyland. "I'd tell him about the new movies we were shooting, and he'd tell me about his experiences and his dreams," the actor said. "It was a real bond." For Aniston, best known as the star of Friends, she and her spouse first met on the
