Character design and creation

The protagonist is a young aristocrat under the control of a family which is a minor nobility in the Lands Between, in the stage of its decline. However, is it really a curse or rather a favor? The protagonist starts out as an ordinary youth but, in exchange for the power of the world, he or she gets granted with the power of the Elden Ring and gains the title of an Elder, Lord or even Emperor. The country palace built by the protagonist's ancestors is lost to the hands of the god of death and the protagonist is sent by the other lords as an emissary. Along the way, the protagonist learns to master the ritual of the Elden Ring and is led by a mysterious ability that grants the protagonist the power to control powerful creatures.
