The rapping star was in the news on Sunday (18.03.14) after his cast member and producer Salim Williams posted a video in which he discussed how he spells the surname of the rapper's latest movie. In the clip, Salim called the "formal" spelling of the family name "Antonio" as a "misspelling of the African American names," before posting several examples of the spelling in use on social media. Why are Republicans more supporting the NRA than they are President Obama? A key Republican senator is now telling Republican groups to weigh the cost of some of their plans against how much they'd like to do them. Sen. Susan Collins (R-ME) — the vote counter for the Republican Party, having backed its presidential nominees in six of the last seven elections — said that was no longer the strategy that worked in an interview with the Washington Post on Wednesday. "I have reached the conclusion that we're not going to have a choice in this election," she said. "I've been told by some of our candidates that if they win they
