What game should I play next? Let's pretend you're the one that's stuck with the bill at your favorite bar, and you have to decide between one measly game, or a sum of your money. What do you choose? That's a question that keeps you from spending every Saturday night at the local arcade, and that's where games like The New Fantasy RPG by Impress Games come in. The New Fantasy RPG, or Tarnished Lands, is a new epic RPG set in the Lands Between, the world of horse-riding elf warriors. This is their second game in the series after the acclaimed and successful Elden Ring. Once you're ready to head off into this world, you can choose what continent you want to play on from the start of the game. Your journey will take you to the vast regions of the world such as the Land of Tears, the Night of Dreams, and the Land of Dawn. These areas will be explored and familiarized with as you continue through the game. Your adventures begin in the new town of Virr. There is a shop there that sells all sorts of weapons and accessories. While you're in town, you can visit various adventurers in order to help you on your journey. Once you've been recruited, you'll discover your own quest that you will have to go through to save the world from an evil lord who is about to awaken an ancient evil. There are two kinds of quests in Tarnished Lands. They include the main quest which is a story-driven quest, and the more side-quests which involve exploring new areas and going through dungeons. When you're done with your main quest, you will receive a mark on your chest which determines the path you'll take from here. The path you choose will determine what magic items you'll receive later on, what equipment you'll get, and what kind of enemies you'll face. However, no matter which path you take, you'll get a new quest upon reaching a particular mark on your chest. The story will keep you entertained, and the presentation of the game is very well done, blending the visuals and storytelling elements together so they all work in tandem to create a very strong and immersive experience. The music, art design, and writing were well done, but unfortunately, there was a very noticeable audio issue. I've played other games with audio issues, but this one was particularly bad. Flame (duo) Flame is a Canadian electronica duo that formed in 2007 and is composed of vocalist/guitarist Chris Balado and drummer Stéphane Voisin. They have released four albums: Nothing (2009), 8 of Us (2010), A Novel World (2012) and Bridges (2017). Their music incorporates elements of ambient music, darkwave, soundtracks, electronica and synthpop. History Flame was formed in 2007 when Balado, a touring musician with Hot Hot Heat and The New Pornographers, decided to get out of the touring band scene for a while and take control of a project he had begun playing several years earlier as Helios. The band consisted of Balado on vocals and guitar, and Voisin on synthesizers, keyboards, bass and guitar. The band released their self-titled debut EP through Sympathy for the Record Industry in October 2007. Soon after its release, the duo released a 7" single for "Coyote" on the Toronto label Portage, credited to Voisin and Balado. Their second EP, No Middle Ground, was released in August 2008 on the Canadian label Reactive Sounds, and featured remixes by Glass Candy and P:eaters. The duo spent much of 2008 on tour in Europe and Canada with The New Pornographers and The Moog Cookbook. They toured again with the New Pornographers in 2009 and played on the Warped Tour 2009. Nothing (2009) In 2009, Balado and Voisin released their first album, Nothing, through the American label Constellation Records. The album was released on June 15, 2009 and received limited distribution in North America. In support of the album, the duo toured with The New Pornographers and Mogwai in 2009 and 2010. 8 of Us (2010) Their second album, 8 of Us, was released in 2010 on the Canadian label Reactive Sounds. Released on September 29, 2010, the album was produced by Steve Fisk. The album's music has been described as darkwave and ambient. On August 8, 2010, the duo released a video for the single "War", directed by Hozie Rauf. A Novel World (2012) The duo released their third album, A Novel World, on February 1, 2012 on the Canadian label Constellation Records. The album was produced by Steve Fisk. In an interview with Noisey
