timework reloj checador full crackQ: Any way to change color of category in jQuery UI datepicker? I have a jQuery UI datepicker which appears in this format (through css) This is what I see. Does anybody know if it is possible to change the color of the category in the datepicker using css. A: You can change the color of UI by adding colors in css .ui-datepicker-calendar.ui-state-default { background: red!important; } Advanced glycation end products, an important biomarker for diabetic retinopathy. Diabetic retinopathy (DR) is a major complication of long-term diabetes that ultimately results in blindness. We aimed to determine the levels of advanced glycation end products (AGEs) in patients with different severity of DR to elucidate the pathogenesis of DR and evaluate AGEs as a diagnostic biomarker for the disease. A cross-sectional study was performed on patients with DR, which included diabetic retinopathy without proliferative retinopathy and non-proliferative diabetic retinopathy (NPDR) with mild to severe disease. Color fundus photographs were used to grade DR. Plasma AGEs concentrations were quantified by ELISA. A total of 196 plasma samples from 71 patients (79.1%) were successfully included in the study. No significant differences in age, gender, diastolic and systolic blood pressure, and BMI were detected in the patients with DR and NPDR (P
