Ask HN: How do companies like Walmart do social engineering to steal customer data? - gallian As a regular customer of Walmart, I always assume that any time I go to the store my credit card information is already in the system. After reading this <https://news.ycombinator.com/item?id=19365596>, i realized that my assumption is not actually true, and perhaps I should be worried. It seems to me as though it would be easier to do social engineering if the information wasn't c6a93da74d
