rohini : rohini was an adopted daughter of yashoda and nanda. due to this, kansa hated her and threatened to kill her if she had an affair with krishna. but, as yashoda was the disciple of dronacharya, krishna stayed with her in vrindavan. because of this, kansa could not do anything against krishna. kali : balram and krishna grew up in vrindavan and were best of friends. since kansa was obsessed with killing krishna, he devised a plan to gather all his power and manipulate the world to control the time and space to kill krishna. but, as he failed to succeed in his plan, the demon raktabija appeared in kali's vision and asked her to stop kansa, else the demon would kill her. but, kali told him, she was born in the age of kali and would slay the demon with the use of her powers. as kansa hid his plans, krishna and balram traveled to mathura, but were unaware of kansa's plans. they stayed at kansa's palace as krishna went out to play with friends. during the game, while chasing the ball, krishna fell into kansa's pit. only with kansa's help, balram succeeded in rescuing krishna from the pit. the powerful, handsome prince pledged friendship and promised to help each other against kansa. as kansa realized that krishna was getting better by the day, he kept his plans in mind. on their own, they began to realize that the only way to save krishna was to join hands. krishna and balram later went with a kunti to meet vasudev. she told him of kansa's cruel rule and urged him to take up the cause of his kin. to safeguard his kingdom, he got a boon from brahma to send duryodhana to the holy forest, naimisha, leaving his kingdom of mathura in kansa's custody. as a punishment, kansa deprived krishna of his kingdom, but spared balram as he was his follower. but, as per the boon, krishna could not leave mathura without the permission of kansa. knowing that this would be difficult as krishna was the mukhya (the de facto ruler of the entire universe) and his rule was omnipresent, kansa decided to kill him. so, kansa had his chief minister, mustika prepare a poison which was given to krishna's servant, pralhad. duryodhan was told of this and prepared a dagger to kill krishna. however, krishna was forewarned and ran for cover. he was saved by akura, who tricked duryodhan into believing that he was dead. 5ec8ef588b
