Navigation Icon Set Crack+ (Latest)

Navigation Icon Set is a collection of royalty-free stock icons for use in commercial and personal products, including software applications, websites, blogs, and presentations. Icons are carefully created pixel by pixel by the hand of a professional artist. They shine with a bright palette of colors, smooth and well-rounded edges. Superb in their quality, icons will help a developer to place a truly professional feel to his project's interfaces without the need to hire a designer or spend days and even weeks on designing icons on his own. Navigation Icon Set is delivered in a variety of formats and sizes, including ICO, PNG, GIF, BMP and such sizes as 16x16, 24x24, 32x32 and 48x48. Icons are available in 256 colors and in True Color with semi-transparency. What's more, icon formats for Windows Vista are also available with such size as 256x256. Your web products and software will look more modern and attractive with Navigation Icon Set. This icon set includes icons like: arrows, left, right, top, bottom, up, left, rotate, globe, move, compass and others.

=====
