System Requirements:

About: Chaos Fallen is an action adventure game which starts out in a city. You are a simple person who wants to live happily. You are a normal person but your path suddenly changes. It is being reported that abnormal behavior is appearing in the city. A giant robot, which has appeared mysteriously in the city, has just been reported to have appeared. The anomaly is attributed to the disappearance of the mayor, who is the only person who knows the secret behind it. You, a regular citizen, have a special ability, which cannot be explained in
